Bob lived at 28 Wilson Drive, New Rochelle, NY, from the 40s until he died in November, 1992.

Dover Jews (4 Cooks) are buried in Somersworth. Checked it out 3 years ago. Stunned by how few of the Dover generation we knew are buried there. That's apparently why God invented Florida. Love.

Michael L. Cook

Barbara: **Bob** apparently went to the University of Maine; may have gotten an undergraduate degree there; and ended up at MIT, getting a degree (graduate?) in 1928. Bob only discussed MIT with me, telling me about his tenure as coxswain on the school's crew and introducing me to his MIT roommate. First learned about the U/Maine experience at his funeral on 11/8/92.

Maury got a BS degree from MIT around 1932. Saw letters from Bob to him, offering to provide cash if he needed it while Maury was an undergraduate. Bob was then a young engineer working for an oil company in Venezuela.

Love.

Michael L. Cook
